**Subject:** Meeting times to discuss Lower Guyandotte

Hi John and Mindy,

We'd like to talk about the potential list of Lower Guyandotte River watershed waters to be included in the ionic toxicity TMDL modeling. Would you have availability during the following times:

Today, Wed. 3/4 at 2:30 pm

Thurs. 3/5 at 11 am or 2 pm

Mon 3/9 at 9 am or 3:30 pm

Please let me know what time would work best for you. Thanks, Jen
